

# Website Development Proposal

Dear Client,

Thank you for considering my services for your website project. I understand that your company operates in diverse sectors including Survey, Oil and Gas, Mechanical, Electrical, Procurement, Civil Engineering Works, General Merchandise, and Import & Export. A strong online presence will help you showcase these services professionally and attract more clients globally.

## Objectives of the Website

- Provide a modern, professional, and responsive website.
- Showcase your wide range of services across multiple sectors.
- Build trust with potential clients through clear company information and project portfolios.
- Enhance your brand visibility and credibility.
- Create a user-friendly platform that highlights your expertise and facilitates easy communication with clients.

## Proposed Website Features

Feature	Description
Responsive Design	Mobile, tablet, and desktop friendly interface.
Service Pages	Dedicated pages for Survey, Oil & Gas, Mechanical, Electrical, Procurement, Civil Engineering Works, General Merchandise, and Import & Export.
About Us	Company profile and history to build credibility.
Portfolio/Projects	Showcase completed and ongoing projects.
Contact Form	Easy inquiry form for potential clients.
SEO Optimization	Improve visibility on search engines.
Admin Panel	Easily update content, images, and services.

## Project Timeline

The estimated duration for the full development and deployment of the website is 4 – 6 weeks, depending on the availability of content and client feedback during the process.

## Project Investment

The total investment for this project is **₦850,000** (Eight Hundred and Fifty Thousand Naira only).

- **80%** (₦680,000) will be paid upon commencement of the project.

- **20%** (■170,000) will be paid after successful completion and delivery.

This ensures a balanced commitment from both parties throughout the development process.

I look forward to the opportunity to collaborate with you on this project. Please feel free to reach out so we can discuss further details and refine the scope to match your expectations.

Sincerely,  
[Your Name]
